EXPORT SHED SERVICES

**Delta Crane & Plant Hire (Pty) Ltd** was formed in 2004 in response to the need from several industrial companies for specialised light and medium engineering services.

With many years of growth and investment the company can provide a range of top quality, value-added services at competitive rates.

In these competitive times we are totally committed to continue to invest and set new leading underpinned by a business philosophy of "going the extra mile" for its clients.

Through a commitment to ensuring that all its clients are completely satisfied with each contract that is completed, **Delta Crane & Plant Hire (Pty) Ltd** has secured a strong position in the engineering services & mining field, not only in the Vaal Triangle, but across South Africa.

Trained staff members and committed management ensures that even the most complicated operation is handled with a "hands-on" approach that has proven to be a winning formula in meeting the needs of the client specifications.

The company is registered with the following institutions:

- ESSH
- LEEASA
- CPHA

***Delta Crane & Plant Hire (Pty) Ltd was established in 2004 and has grown into one of South Africa's leading lifting solutions companies that provides quality service 24 hours, 365 days a year. They have made the safety of their customers, employees and the public their main priority.***

Over the past few years **Delta Crane & Plant Hire (Pty) Ltd** has grown as a respected and well trusted leader in its field and expertise throughout South Africa.

Our dedicated and well trained personnel offer a world class engineering package.

Our performance is based on the following commitments:

- We aim to deliver the best available service to you, the client.
- Through modern, reliable and technical equipment, we are able to provide in the specific needs of our clients.
- Every client is worthy of our attention to detail which ensures cost-saving operations.
- The friendly and positive attitude in which we approach every contract or project.

## MOTTO

*It is not the size of a corporation that determines its greatness, it is the sheer dedication, heart, sweat and loyalty of each one of its employees.*

*Please assist us in assisting you, the client.*

**DELTA**

**CRANE & PLANT HIRE (Pty) Ltd.**

8 PROUDLY DELTA

**Delta Crane & Plant Hire (Pty) Ltd** operates from its Head Office in Sasolburg and has operational depots in Sasolburg, Vanderbijlpark and Kendal serving across the various sections of industry in day-to-day and long term hire, shutdowns and infrastructural projects.

Our comprehensive, modern and reliable mobile crane fleet ranges from 8 Tons to 250 Tons and is supported by our own transport facility. This provides customers with the right crane and equipment to accommodate their specific needs and endures that no lift is **too Big or too Small** to handle.

All of our cranes are manned by operators who are trained to the highest standards within the industry.

Dedicated staff and management are committed in understanding the unique requirements of customers who make use of equipment in the Crane industry. Thus our special attention to the small section of our fleet is to ensure that the most effective and prompt service is available to all customers

## SCOPE OF SERVICES
